

Victron-network communication cable

Technical Specification

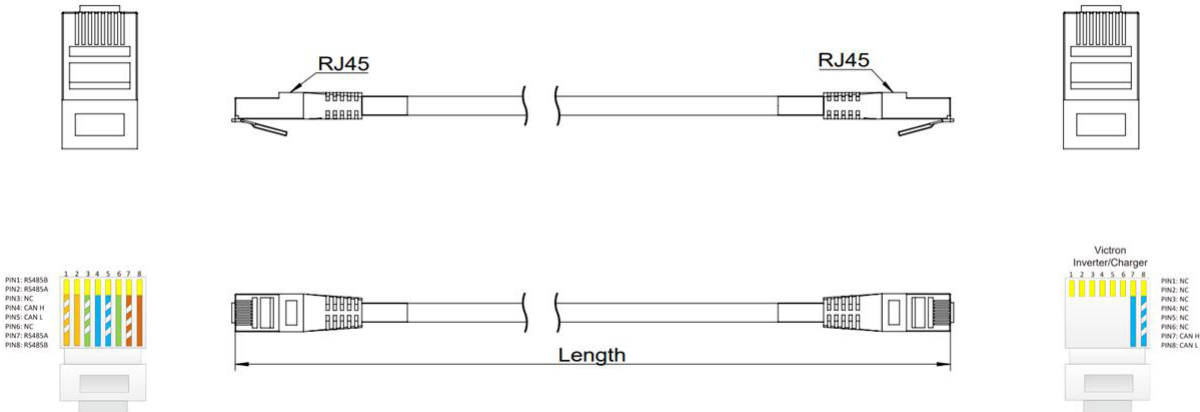

Victron-network communication cable

Data cable cat-5E UTP

Victron-network communication cable	
Cable type	Data cable cat-5E UTP
Transmission bandwidth	100MHz
Temperature rating	75°C
Reference Standard	ANSI/TIA/EIA-568-A
Number of cores	4 Pairs of twisted pairs
Conductor:	Oxygen Free Copper
Conductor diameter	0.51mm
Insulation	PVC insulation
Conductor cross-sectional area	0.20mm2
Diameter of insulation wire	0.91mm
Cable diameter	5.0mm
Copper cable terminal	RJ45
Copper cable terminal material	PC

Code	Designation	Length	Color	Copper cable terminal
18-061225-31	350mm Network communication cable	350mm	Black	RJ45
18-061224-31	1000mm Network communication cable	1000mm	Black	RJ45

Victron-network communication cable
